Volunteers are important to the success of programs and to the City of Roswell. Your decision to volunteer is much appreciated! Please complete this application and submit it to the Parks and Recreation Office, the Roswell Adult Center, or the Yucca Recreation Center. Due to the nature of many of the volunteer positions (working with youth and specially challenged individuals), the Department make efforts to screen volunteers for the safety of the participants and other volunteers. The information provided will be used to evaluate the volunteer's experience and background history. Some volunteer placements such as working with youth, may require a formal background check. Once you have been selected as a volunteer for the Recreation Department, additional background checks may be performed at any time during the course of the volunteer service as the need arises, such as a lapse in service or as information is received from other sources.
