OFFICE OF EMERGENCY MANAGEMENT

Be Ready Roswell!

January Tips

1. **Identify your risk:** Learn what disasters can happen in your area and decide what you will do in a disaster.
2. **Create a Family Disaster Plan:** Make a plan that tells everyone:
 - a. where to meet;
 - b. identifies an out-of-state family contact;
 - c. how to get emergency information.
3. **Practice your Disaster Plan:** Have family members meet at a designated spot outside your home. Know when to stay put indoors, or evacuate.
4. **Build a Disaster Supply Kit for your home, car, and office-** If you are stranded in your car or have to be self-sufficient at home until help arrives, you need to have a disaster kit with you.
5. **Learn CPR and First Aid:** Contact your local chapter of the American Red Cross and get trained on basic first aid and CPR.
