Grand Reopening of Children's Area with visit from Wild Thing

Saturday, August 28 at 11:00 a.m.

*Big kick-off celebration with balloons, games,
scavenger hunt, and loads of fun!*

Webb Space Telescope Community Event

Dates Coming Soon! - *Follow us on
Facebook.*

Webb will be the largest, most powerful and complex space telescope ever built and launched into space. It will fundamentally alter our understanding of the universe. The James Webb Telescope is an orbiting infrared observatory that will compliment and extend the discoveries of the Hubble Space Telescope, with longer wavelength coverage and greatly improved sensitivity.
